

Aluminum Fencing

Aluminum Fencing is a great and long lasting alternative to wrought iron or steel.

There are no visible fasteners and it won't rust over time.

It will enhance the appearance of your property while providing security and protection.

Warranty

Most products carry a limited lifetime warranty that covers defects in material and workmanship (manufacturer defects) and some finishes/coating. Actual Warranty is dependent on Manufacturer and product purchased. If you would like more information, please ask us about the warranty specific to your project materials.

Satisfaction Guarantee

We want to make sure you are happy with our work. Our Guarantee covers materials and labor for 30 days after your project is completed and 1 year for materials after project completion. If you have any issues within the first year (Beyond the 30 day period), you will be charged for labor. Our Guarantee is not a Warranty or Insurance and does not cover damage caused after the project is completed, alterations made by the owner, or improper care.
